Ok, great! Thank you to all. Perhaps a 10 am – 2 pm meeting would work. We are flexible.

Anna, it is totally up to you since you're hosting. Whichever works best for MDE's schedule.

Great! On EPA's side, we don't know who will fill Greg's void when his detail ends, so we can't plan for their attendance.

But Micka and I are available August 13, 14, 22, 26, 27, 28, or 29. How do these work for MDE and DOEE folks?

Thank you,

I just talked to Greg and we are thinking the same. He would like MDE to have a more concrete proposal to present to the group before we meet. We are meeting internally on Aug 7, so a date after Aug 9 would be fine for us.

From looking at Anna's dates, is July 30 an option?

Hi Ed and Anna,

I'm hoping you two can coordinate with your group and send over some potential dates for our group trash TMDL development meeting.

Unfortunately for us, Greg's detail ends on August 9<sup>th</sup>, so we're trying to rope him in for this meeting before that. If before August 9<sup>th</sup> doesn't work, we can try and schedule for afterwards. Anna, would you be able to host in Baltimore? Perhaps we can think about a 10 am – 2 pm timeframe.

If we can't schedule anything before August 9<sup>th</sup>, perhaps we can align our meeting with COG's AWRP trash workgroup quarterly meeting (to be scheduled for sometime in August). Since a bunch of us will already be attending the quarterly meeting, perhaps we can schedule our meeting after that around 1 pm if DOEE is willing to host.

Thank you for your help,

*Jillian Adair*
